

**World Pipe Band Championships 2012
Coach Parking and Band Supporters**

The World Pipe Band Championships are once again delighted to offer competing bands on-site coach parking and highly discounted band supporter tickets. Bands will receive a website link via email that will allow band secretaries unique access to purchase coach parking and band supporter tickets. As always all Bandsmen in full band uniform will have free access to the event arena however band supporters must be in possession of a ticket to gain entry to the event arena. Should band supporters not obtain tickets through their band secretaries, full price tickets will be required to be purchased independently through the normal box office on the day.

Band secretaries will receive an email from the World Pipe Band Championships once their application has been received by the RSPBA. Each band will be issued with an exclusive promotional code that can only be used once online. Each code will permit bands to purchase tickets at the reduced price of £7.00 (a saving of £3.00 on advance tickets and £6.00 on the day tickets) with a maximum of 30 supporter tickets per band. This code will also allow band to purchase a coach parking pass if this is required. Once the code has been used it will expire and can not be used again therefore it is important that bands purchase the correct quantity of tickets when using the code. The RSPBA or the event box office will not be able to process discounted tickets under any other circumstance and no patron will gain access to the event without being in possession of a valid ticket.

As per previous years, coach parking passes will be issued on a first come first served basis therefore it is strongly recommended that bands return their competition entry as soon as possible to receive their booking website links via email.
