About me :

Started playing about the age of 14 with the School Pipe Band. While still at School and then as a student I played with Aberdeen University OTC.

In 1973, moved to London and played with the Blue Bonnets for about 5 years; also taught for a 3-4 years at The London Irish Girls Pipe band during this time. Moved to Knightsbridge Pipe Band as Leading Drummer, and while there achieved my Intermediate Certificate. On that band's demise played Bass Drum with Pride of Murray Grade 2 Pipe Band and then as leading drummer with their Grade 4 band. About this time gained my Intermediate Instructor's Certificate. Moved to Hylands Pipe Band in Essex as Leading Drummer until my return to Aberdeen in 1990.

After a Pipe band lay-off for several years, but playing in a couple of Pub Bands latterly, I was persuaded to return to Pipe Bands with Stonehaven, for a couple of years, then moved to Rubislaw for a spell, before recently returning to Stonehaven.
